CampusPulse 2026 — Architecture

NorthBridge University smart campus platform · AWS eu-west-3 (Paris) · revised 12 Oct 2026 after the project review

Blue: requests over HTTPS · Green: the data function's only network path · Orange: backup and alerting · Dashed: page download and logs · "NEW" marks changes from the project review (VPC, backups, team email alerts, admin/student pages, 5 → 2 Lambda functions)
